GREAT PARTIES LIVE ON FOREVER

Today Barlens is an iconic and beloved event hire company servicing Canberra, Albury and the surrounding regions, but it all started 50 years ago when Barry Whyte had an idea ...

It began in the year of 1965, when Barry was working at his uncle's menswear business, R.T Whytes in Kennedy Street, Kingston. "I read an article in the reader's digest about a great new business that was taking place in America, and that was the hirer, and they listed all the things that were for hire. And that lit up my imagination," Barry recalls. Along with colleagues Stuart Hancock and Lenny Rich, Barry founded Stewart Barlen Hire. It's hard to believe Canberra's iconic event hire company was founded on a grand sum of \$1,200, but that's exactly how Barlens began.

In 2015, Barlens celebrated 50 years in business. We have a lot to celebrate as we look back on 50 years of supplying events in the ACT, Victoria, NSW and throughout Australia. Barlens extensive range of Hoecker marquees, furniture, catering, AV and crowd fencing allows us to supply a myriad of different events. From small community events, large corporate and government events and music festivals to intimate weddings and boutique dinners.
